Dear Parents and Carers,

We are writing to inform you that at Harefield Infant School the children in Nursery and Reception will be following the new Early Adaptors Early Years Foundation Stage Curriculum set by the Department of Education in July 2020. This revised curriculum will become statutory for all schools in England in September 2021.

There have been some changes to the Early Learning Goals set in the Developmental Matters Curriculum that children follow in Early Years Foundation Stage.

Staff will use the new EYFS curriculum to track progress throughout the year using our online tracking and monitoring system Insight.

Children will still be assessed against the Early Learning Goals and you will be informed of their attainment against these at the end of the year via a school report.

As a school we will be submitting our Reception data to the Local Authority at the end of the year.

As a school we will be exempt from;

- Local Authority Moderations of our end of year Reception data.
- Assessing against the current Early Learning Goals.

You can access the new reformed curriculum on the DFE website:-

Kind Regards

Miss Laura Churchill
