

Friday 11th September 2020

Dear Parents/Carers,

Year 1 Autumn Term Curriculum Letter

Year group: 1

Classes: Redwood, Ash, Cedar

Teachers: Mrs Kerse, Mrs Middleton, Miss Campbell & Mrs Henderson

Mathematics – Number place value within 10, addition and subtraction within 10, geometry and shape, number place value within 20.

Homework - After half term, we will be sending home an Active Maths activity for you to do together with your child.

English – Talk for writing focusing on handwriting, comprehension and sentence writing activities.

Phonics - Phonic lessons take place every day as we are working towards the Year 1 Phonic Assessment in June 2021.

Spellings – After half term we will be sending home a complete list of the Year 1 spellings for you to keep at home. We ask that your child learns one set each week which will be tested in class. We will let you know the day of the test nearer the time.

Reading – we will be hearing your child read in class and will check their sight words every week. However, due to the Covid situation, we will not be using the Home/School reading record until further notice. The entire set of sight words for Year 1 will be sent home. Please help your child to learn these at home one sheet at a time and we will check them using our sheets in class. Your child will bring home one reading book at a time and can change this as frequently as required. We will be quarantining these books before they are put back into circulation the following week.

Science – Materials – we will be discovering what things are made and their properties. Perhaps you can go on a materials hunt around your house and find all the different materials within your home (e.g. glass, wood, plastic, metal, paper) and what they are used for.

History – My family History – We will be finding out what life was like when our grandparents were children. Ask your family to find some old photographs of when they were young. You can share memories of your favourite toys or holidays too.

Geography – Places we go. We will be learning about our local area and how to use a map. Perhaps you can draw a map of your journey to school or to the shops. What do you pass on the way? What signs do you see? Have a close look at the information found on a post box.

Address: High Street, Harefield, Middlesex, UB9 6BT

Tel: 01895 462399

Email: info@harefieldinfants.co.uk

Web: www.harefieldinfants.co.uk

Executive Head Teacher: Mr A.Sunner

Head of School: Mr J.Downs

Religious Education - The Creation Story and Christmas.

Art & Design – We will be experimenting with shape, line and colour & looking at the work of the artist Jasper Johns.

Design & Technology - In DT we will be looking at mechanisms and looking at how they are used in moving books. Have a look at your books, perhaps you will be able to find a pop-up book or one with a slider and see how they work.

Personal, Social and Health Education – We will be following the Jigsaw Scheme of Work at this term will be focusing on Being me in my World and Celebrating Differences. Mindup activities will support our mental well-being.

Music – We will be looking at the musical elements of Pulse and Rhythm, and Timbre and Rhythmic Pattern.

Physical Education – Multi Skills and Story Time Dance
