Home learning support

Dear Parents/Carers,

Happy new year. We are writing to provide further information about the support we are providing for home learning.

Live Teams Lessons

Access to live lessons delivered by your child's teachers via your child's "Teams Login" will begin tomorrow. Please download the Teams desktop app (<https://www.microsoft.com/en-gb/microsoft-365/microsoft-teams/download-app>) and then login and click on the 'Join' meeting button in the calendar.

- Daily Maths lessons are from 9.30am.
- Daily English lessons are from 11.00am.
- Topic lessons are from 1pm every day **except Wednesdays**.
- Children can complete their work in the exercise books we sent home last term.
- Children's completed work can be emailed to teachers via the class email accounts for teachers to give feedback.
- If you have any questions regarding the use of Teams including password resetting, please direct them to the class teacher via the class email account.

Pre-recorded Teams Lessons

If your child is unable to access the live Teams lessons, they can log in to Teams at some other point in the day and watch a recording of the lesson that was taught earlier in the day.

Exercise books

If you require additional blank exercise books for your child to work in from home, please contact the school office staff from 8.30am to 3.30pm via the school phone number at the top of this page.

Home Learning Packs

If you have limited or no internet access at home, you can request a printed home learning pack by contacting the school office staff from 8.30am to 3.30pm via the school phone number at the top of this page.

Food Packages

For families of children who are eligible for Pupil Premium funding, we are organising food packages. We will contact those families by text when the packages are ready for collection. We will also continue to provide the breakfast packages that we had started to provide to eligible families last term and will contact those families by text when they are ready to be collected.

After School Catch Up Sessions

We are postponing the after school catch up sessions for the children who were due to start those this week. They will take place when school is fully reopened.

Thank you for your continued support.

Kind regards,

Mr Sunner
Executive Head Teacher

Mr Downs
Head of School
