

Tuesday 6th July 2021

Dear Ash Class,

I am very excited that you will be joining me (**Mr Law**) in **Year 2 Pine Class** in September 2021.

I am a happy teacher-I will usually be smiling and look forward to seeing you all smile back! I love maths, stories and art and look forward to reading all your amazing stories and seeing your lovely art work. My favourite food is pizza and I like the colour blue. I am very good at making paper aeroplanes and love doing origami, which is making things using paper. I have two boys myself one is going to be starting year 3 in September and my other is still in nursery.

Maths will be taught using the **White Rose Maths**. This way of learning will let us take small steps to really get to know our numbers which will help us solve harder problems.

In English we will use the **Talk For Writing** way of learning. This means really getting into a story and learning it using actions. Then we will practise making our own stories, using all the great story language we've learnt, and become our own authors.

Of course we will teach all the super fun foundation topics; science, history, geography, art and design, design technology, computing, PHSE, RE, music and PE. We will get to do many fun projects that will help us work as a team and make memories with our friends and family.

I look forward to seeing you all in September, and I am sure you will love your time with me in Pine Class.

If you'd like to say hello and write me a message to tell me a bit about yourself, you can ask a parent to help you send me an email on pineclass@harefieldinfant.com

I look forward to meeting you all soon.
Have a fantastic Summer. Mr Law
