

Tuesday 6th July 2021

Dear Redwood Class,

My name is **Mrs Atkinson** and when you come to Year 2 in September, I am going to be your teacher in **Year 2 Elder Class**. I can't wait for you to join me for a fun filled year in Elder Class!

About me

I have been a teacher in Year 2 for 5 years and I have worked at Harefield Infant School for 10 years altogether.

My favourite subjects are Maths, Handwriting and History.

I love learning, even as a grown up, and I am always reading new things! My favourite author is Julia Donaldson. Have you read any of her books?

I do Brownies in Harefield and I love music, Disney films, riding my bike and going for walks, sleeping and yoga. My favourite colour is green and my favourite food is popcorn!

I am passionate about mental health and my favourite part of being a teacher is the relationships that I get to build with each and every child in my class.

About Elder Class

In Elder Class, I encourage a calm, positive and respectful learning space, where I like to see children being independent, problem solving and challenging themselves. Everyone is good at something different, and I love to see children supporting each other's learning. I can't wait to meet you and see what your talents are! Elder Class is an organised and tidy classroom, so I hope you are good at tidying up!

About Year 2

Year 2 is very similar to Year 1 and we will push your learning to the next level. Just like you did in Year 1, we follow **White Rose Maths** and **Talk for Writing English**, so you will know all about this! Of course, in the afternoon we will teach our topic lessons and some of the topics we learn include The Great Fire of London, Gardening and Building Ferris wheels.

If you would like to say hello and write me a message to tell me about yourself, or ask me any questions, you can ask a parent to help you send me an email to

elderclass@harefieldinfant.com

I am really looking forward to working with you! Love, Mrs Atkinson
