

Tuesday 6th July 2021

Dear Birch and Pine class,

We are thrilled to hear that you will be joining us next year in **Year 3 Willow** class at the junior school. We are looking forward to sharing with you all the lovely things we do in year 3

You may also be asking yourselves who are my teachers, well it is **Mrs Parker** at the beginning of the week and **Miss Morse** at the end of the week. For the whole week you will have **Mrs Crewe-Devein** helping you learn and grow as well as our learning support assistant. We all love working in year 3 because we get to join you as you start your new adventure in the junior school.

Here is a little bit about us.

Mrs Parker- class teacher

I have 2 children called Amy and William who you will hear stories about. They are a little bit older than you. We have 2 house rabbits called Bluebell and Caramel who can be a little naughty and love being fed raisins in the evening while watching TV.

Miss Morse class teacher

I have a son called Harry and a dog called Rufus. Rufus is a Lurcher and I walk him every day and I enjoy taking him on long walks across the countryside at the weekends. I love anything Disney too and would love to go back to Disney World one day. I'm looking forward to meeting you all!

Mrs Crewe-Devein- learning support assistant

I have 2 children called Ella and Jack, we have a dog called Molly and a cat called Buddy. We love going on long walks and spending time with our family and friends. I cannot wait to meet you all in September!!!

A few things we learn about in Year 3:

In Science we get to carry out experiments and find out about light, plants, animals - including humans, magnets and springs and rocks and soils. In history, we go back in time to look at the stone age and iron age, while in geography we study climates and weather, our world, and a country.

In maths we carry on with our number work, place value and keep learning our multiplications facts. In English we will be sharing stories and creating our own through story maps in many different styles.

If you'd like to say hello and write us a message to tell us a bit about yourself, you can ask a parent to help you send us an email on willowclass@harefieldjunior.com

Have an amazing summer break and we will see you in September.
Mrs Parker, Miss Morse and Mrs Crewe-Devein
