Harefield's 'Travel Around The World' Day

Dear Year 1 and 2 Parents/carers,

As part of our Geography curriculum, the children of Harefield Infant and Junior School are going to celebrate their learning though **Harefield' s 'Travel Around The World' Day** on **Tuesday 5th July 2022**.

It will be a non-uniform day, where children can come to school dressed up in summer holiday clothes. Children will be travelling to different classrooms across both schools, learning about different countries on their travels. They will be completing several activities linked to each country that they visit and will get their passports stamped in each location.

The continents and countries that each year group is learning about are:

Year 1: South America (Brazil)

Year 2: Europe (France)

Year 3: Asia (Japan)

Year 4: North America (Jamaica)

Year 5: Oceania (Australia)

Year 6: Africa (South Africa)

Weather depending, the playground entrances and windows to each class will be decorated with a link to the countries that they are learning about this half term. Please enjoy the fabulous displays and entrances as you drop your children off in the morning across both schools.

We look forward to welcoming the children to Harefield's 'Travel Around The World' Day where they will be able to learn about different international cultures from each continent.

Kind regards,
Mr Coren
Geography Subject Leader & Year 6 Teacher
