

Friday 30<sup>th</sup> September 2022

Dear Parents and carers,

The children have all settled beautifully into the Nursery environment and have taken on board lots of exciting new learning in the past few weeks. They have adapted well to the new routines and are following our 5 golden rules, which are to:

- Try hard
- Listen
- Tell the truth
- Take care of our nursery and toys
- Be kind

This week we have been learning all about our emotions and how to talk about how we are feeling. The children have showed fantastic understanding of this topic and have produced some lovely pieces of work.

We have been enjoying stories about emotions, particularly 'The colour monster story' where there is a different coloured monster for each emotion we feel:

- Yellow for happiness
- Blue for sadness
- Red for anger
- Black for fear
- Green for calm
- Pink for love

You can help your child to continue their learning at home by:

- Talking to them about how they are feeling and helping them to label their emotions
- Praising them for making the right choices
- Sharing their achievements with us at the nursery door or via our class email
- Encouraging them to follow the rules at home and listen the first time you ask them to do something

Next week we will be learning all about families and what similarities and differences we have. Please support your child's learning by sending a picture of your family to our nursery email address [acornclass@harefieldinfant.com](mailto:acornclass@harefieldinfant.com)

Mrs Halligan

Nursery Manager
