Dear Reception Parents and Carers,

### **Re: Read Write Inc phonics**

We are writing to inform you of our new approach to teaching phonics and reading this year.

As a school we fully appreciate the importance of all children learning to read fluently by the time they leave the Infant school. To support all our children further we have decided to introduce a new approach to teaching phonics and reading called **Read Write Inc.**

Children will be taught daily phonics at their reading stage, rather than age. This means children will be in different groups for the teaching of phonics and reading based on the sounds that they know and those they need to learn.

More information on this can be found by following the link below.
