

Friday 25th November 2022

Dear parents and carers,

The Gingerbread man has been travelling around the world at Acorn nursery this week! He has visited lots of exciting countries including Qatar to watch England play in the world cup, France where he visited the Eiffel tower, India where he saw a Tiger, China where he tasted some noodles and London where he rode on a double decker bus and saw King Charles III. Here are some of the exciting activities we have been doing to support our learning;

- Painting flags from different countries.
- Looking at different homes from around the world and talking about how they are different from our houses.
- Building iconic monuments such as the Eiffel Tower and the Taj Mahal using construction materials.
- Making food from around the world in our mud kitchen.
- Playing football in the garden and making world cup trophies.
- Going on a number hunt to find 1, 2 and 3 in the garden.
- Practicing our Christmas song for the concert on Wednesday 14th December.

The children are learning to tell a story using a story map, this is where they retell a story using pictures and actions. They have thoroughly enjoyed retelling The Gingerbread Man story. Please encourage your child to tell you the story using their story map at home.

You can help your child to continue their learning at home by:

- Continuing to encourage them to explore numbers 1, 2 and 3 at home and when you are out and about.
- Retelling The Gingerbread Man story with them using their story map.
- Talking with your child about different countries from around the world. Have you ever visited another country? How did you get there? What did you do? Do you have friends or family who live in another country?

Don't forget the night owls will be coming into school on Wednesday 30th November for their long anticipated visit! We are very much looking forward to seeing them and having our photos taken with a real life owl!

Many thanks

Mrs Halligan

Nursery Manager
