

Friday 20th January 2023

Dear Parents and carers,

It's been another cold and icy week at nursery this week which has provided the children with lots of fun and interesting learning opportunities! The children have been extremely busy and have been engaging in many activities including;

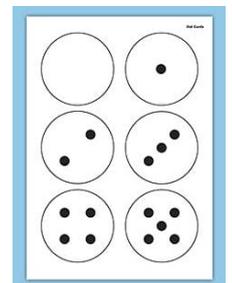

- Making predictions and exploring what happened to the water we put outside on Friday.
- Weighing playdough and using the language heavier, lighter and the same.
- Learning to 'never give up' even when something is tricky, this was part of our Jigsaw learning with Jenie. The children then had a go at completing an obstacle course outside.
- Singing and acting out the song of 5 little speckled frogs.

We have been reading the story of 'We're going on a bear hunt' this week. The children have all enthusiastically joined in with the actions and can retell the story from the pictures. They have enjoyed making maps and binoculars to go on their own bear hunts around the nursery, making and eating teddy bear toast and asking their friends what part of the story was their favourite and marking it down on a tally chart.

You can help your child to continue their learning at home by:

- Practising to write their name.
- Teaching them to put on their own coat and have a go at the fastening.
- Asking them to sing you our new song of the week '5 little speckled frogs'.
- Asking your child to tell you how many spots there are on the plate without counting them.
- Going on a bear hunt with them at home.

Many thanks

Mrs Halligan

Nursery Manager
