School Council

Each class will be holding school council elections next week, where one boy and one girl will be elected by their classmates to represent them on the school council. Unfortunately, children who were on the school council last year will not be able to apply again this year, to give others a chance. The school council meets regularly to discuss improvements at the school. For example, last year the school council helped decide on the final design for the new library. We have emailed parents a speech template that your child could use to prepare for the elections, should they wish to become a school council representative.

Safeguarding

Our designated safeguarding lead is Mr Downs, the Head of School. The safeguarding officer at the Infants is Mrs Hook, and at the Juniors is Mrs Sullivan. If you have any concerns about the safety or well-being of one of our children, please speak to them. They will offer advice and take appropriate action.

Meet our SENDCo

Our SENDCo (special educational needs and disabilities coordinator) is Mrs Trainor and her role is to support children with additional needs, and their families. If you would like to talk to Mrs Trainor and discuss your child's needs, you can catch her in the morning between 8.45am and 9am in the Junior playground on Mondays and Wednesdays, and the Infant playground on Tuesdays and Thursdays. Alternatively, you can contact the school office to make an appointment.

Homework Club

We are hoping to restart homework club later this term. Please look out for a homework club letter which will be emailed out to parents soon.

Year 2 Birch Class enjoyed their first Forest School session this week. They matched items found in the Forest School area with colours on the nature colour wheel.

Helping the PTA raise money for the school

You can help the PTA raise money by clicking on easy fundraising when you spend online as a percentage goes towards the school. In the last year we have raised £600 through easy fundraising. It works with most online shopping including amazon and Tesco. You could even ask your work if they buy lots of items to do it through easy fundraising. It costs you nothing!!! And there are no catches at all.

Home Start Hillingdon

Home-Start Hillingdon is a small charity helping local families, with at least one child under 5, who are finding things tough with issues including post-natal depression, isolation and managing difficult personal circumstances.

They recruit, train and manage volunteers to come alongside families with young children who are struggling. Each volunteer supports one family, visiting 2-3 hours once a week for up to 6 months to give support, befriending and practical help towards achieving the goals the family set themselves.

You can find out more about what they do at www.homestart-hillingdon.org.uk.

The difference they make with families is **astounding**. Last year they supported nearly 120 families. 93% of the families they supported were coping better after receiving support from them ... some with an incredible 200% improvement on their original "coping scores" (this is how they measure the impact of what they do).

The feedback they get from families is incredibly positive:

"...without Home-Start it was impossible for me to see the world outside my home." "The catalyst I needed to propel me to regain control of my life" "She help my everything"

Volunteers also tell them they love being a part of such life changing support:

"volunteering has increased my self-confidence. It makes me feel happy to see my families and has given me a sense of purpose"

"It is fantastic to see even small improvements that families make when enabled to do so by Home-Start. I have shared so many wonderful experiences with families even sad moments that have given hope to brighter future exploits. Working together we can make a difference."

Here are two ways to support Home-Start Hillingdon to change the lives of local families:

Train to become a volunteer– it can change your life too!!

The next Volunteer Preparation Course will start on **Monday 9th October 2023** will run for **9 sessions on Mondays from 9.45am to 2.30pm.**

Are you:

- a parent or grandparent
- able to attend the whole course
- available to commit to volunteer for half a day a week

...if so, this is a brilliant opportunity to receive **exceptional training** that will enable you to change families lives.

As well as the huge satisfactions that comes from this role, volunteering with them can change your life too, building confidence and skills and experience. After a year supporting families, they can provide a reference supporting job applications. "My new job is a form of support work. Home-Start gave me my first taster!"

Contact them for an application form or just to find out more on 01895 252804 or office@homestart-hillingdon.org.uk
