

Friday 19th July 2024

Dear Parents and carers,

The end of the school year is here and brings with it such a mix of emotions. We have had a fun week in nursery preparing for our 'Teddy Bears Picnic'. The children have baked fairy cakes and biscuits, which have been iced and decorated with sprinkles. As well as making bunting, party invitations and pictures of their favourite teddy bear. The children all thoroughly enjoyed the party and loved showing us their best dance moves!

With the end of the school year upon us, I would like to take a moment to say what an absolute pleasure it has been to teach each and every one of your children. They have all grown so much not only in height but also in their learning ability and their social skills. They are such a kind and caring class who love to help others and relish in praise for their efforts. Those who are flying off to join Reception are showing us daily how ready they are to make the move. Those who are staying in nursery for another year are going to be fantastic helpers and role models to the new children who are starting.

Thank you for your continued support in sending in photographs, library books, the treasure bag and 'The Everywhere Bear'! I know as a parent you have so much on your plates. Your effort and care does not go unnoticed and gives your child the best opportunities to learn and flourish at school.

I wish you all a truly wonderful summer, hopefully we will have some sunshine! Enjoy spending time with your little ones and making memories together and I hope to see you all in September.

Thank you for a great year!

Mrs Halligan

Nursery Manager
