Dear Parents and carers,

We have had a fun filled week celebrating wise owl's birthday this week! The children have been really immersed in all of the learning that has taken place. All of the staff in nursery have noticed that the children are so engaged and ready to learn. It is a pleasure to see. Thank you for all of your support in encouraging your child to follow the rules when they are a nursery.

This week's activities have included;

- Building a house outside using large construction to have a party in with our friends.
- Painting owl pictures.
- Building rockets using 3d shapes to zoom to the moon, like the bear in 'whatever next'.
- Making cakes using playdough.
- Making poppy biscuits to remember the soldiers.
- Taking part in write dance in our 'Busy Bee' groups.
- Learning information about owls.
- Baking a cake.
- Having a party to celebrate wise owls birthday and Children in Need.

There are still 5 spaces left on our 'Little Link' language project. Please sign your child up if you have not done so already using the link below.

The children have loved showing their 'Things I like boxes' to the class and have confidently talked about the items they chose to put inside. It has been lovely getting to know more about them all and the things they like to do at home. There is still time to send your child's box into school if you have not done this yet.

You can help your child to continue their learning at home by:

- Completing this week's homework with them.
- Reading to them daily and encouraging them to talk about the story by asking them questions about it.

Dates for your diary.

Monday 18th November- Target setting meetings 3.30-5.30pm.

Thursday 21st November- Target setting meetings 3.30-5.30pm.

Tuesday 17th December- Christmas concert 9am and 2.30pm.

Thank you so much to the families who have kindly donated items to be used in nursery. It is very kind of you.

Have a fabulous weekend.

Many thanks

Mrs Halligan
