Attendance Ladder

As well as attendance, punctuality is very important. If your child is late for school, they miss the important introduction part of the first lesson during which the teacher explains the key learning. Class doors open at 8.45am and close at 9am. Please ensure your child is in class by 9am.

Teatime talk

We work with Voice21, a charity that supports schools to develop oracy. Oracy is the ability to articulate ideas, develop understanding and engage with others through spoken language and listening. Oracy skills set children up for success in school and life.

In order for children to develop their oracy, we need to provide them with lots of opportunities to practice their speaking and listening, which we do regularly in school. We will be sharing a discussion topic each week in the newsletter to also provide you with a chance to have an interesting discussion with your children and support their oracy at home. This week's discussion topic is:

'Having the same colour uniform is a legitimate reason to force schools to amalgamate.'

"The relationships the teachers have with the pupils are outstanding, and as parent as well as a governor exactly what I'd hoped to see."
