Attendance Ladder

As well as attendance, punctuality is very important. If your child is late for school, they miss the important introduction part of the first lesson during which the teacher explains the key learning. Class doors open at 8.45am and close at 9am. Please ensure your child is in class by 9am.

May Bank Holiday

The school will be closed on Monday 5th May for the May bank holiday. Children return to school on Tuesday 6th May as normal.

Teatime talk

We work with Voice21, a charity that supports schools to develop oracy. Oracy is the ability to articulate ideas, develop understanding and engage with others through spoken language and listening. Oracy skills set children up for success in school and life.

In order for children to develop their oracy, we need to provide them with lots of opportunities to practice their speaking and listening, which we do regularly in school. We will be sharing a discussion topic each week in the newsletter to also provide you with a chance to have an interesting discussion with your children and support their oracy at home. This week's discussion topic is:

'You should always do what your friends ask you to.'

"The school provides extensive opportunities for pupils to develop their talents and interests."

Year 5 Science Museum school trip

On Tuesday and Wednesday, Year 5 Sycamore and Walnut classes visited the Power Up exhibition at the Science Museum as part of their learning in History about leisure and entertainment. The children got hands-on with some of the very best video games and consoles of the past five decades.

“It was so fun and exciting and I loved all the games!” Eladie (Sycamore class).

“I loved to see the difference between the new games and the old games!” Carly (Sycamore class).

“My favourite part was playing the original Super Mario,” Amelia (Sycamore class).

“I loved seeing how the graphics have improved from the old video games compared to the modern games,” Jack.C (Sycamore class).

“Power Up was amazing, the best school trip yet!” Luke (Walnut class).

“I loved it – my favourite game was Pacman-8 of us played at once!” Olivia (Walnut Class).

“My last visit to the school was 6 years ago and I can categorically say that the improvements that have been made are outstanding.”

Year 2 Firefighter visit

Year 2 had a visit from a fire engine and some firefighters on Monday. They learnt about the different equipment used to put out fires and had the exciting opportunity to hold the hose and squirt water!

As part of their History unit about The Great Fire of London, this visit helped them understand how firefighting today compares to how fires were tackled in 1666.

Cricket Festival

Last Thursday, some of our pupils were invited to a Cricket Festival at Uxbridge Cricket Club. They all thoroughly enjoyed the day taking part in a rotation of cricket related activities.

Well done to Mason, George, Frankie, Tommy, Remy, Susan, Fleur, Sophie, Poppy, Archie & Aiden.

Forest School

This week at Forest School, the children had free play and made shelters.

“We learn about different feelings so we can regulate our emotions.”

Sports days

We will be holding this year's Sports Days during the last week of this half term, on the school field. We hope as many parents as possible can join us to cheer the children on, and also take part in the parents' race, so bring your trainers!
