Attendance Ladder

As well as attendance, punctuality is very important. If your child is late for school, they miss the important introduction part of the first lesson during which the teacher explains the key learning. Class doors open at 8.45am and close at 9am. Please ensure your child is in class by 9am.

Teatime talk

We work with Voice21, a charity that supports schools to develop oracy. Oracy is the ability to articulate ideas, develop understanding and engage with others through spoken language and listening. Oracy skills set children up for success in school and life.

In order for children to develop their oracy, we need to provide them with lots of opportunities to practice their speaking and listening, which we do regularly in school. We will be sharing a discussion topic each week in the newsletter to also provide you with a chance to have an interesting discussion with your children and support their oracy at home. This week's discussion topic is:

'It would be good to be famous.'

Year 6 SATs tests

Well done to the year 6 children and staff who have been working hard in preparation for the SATs tests which are taking place next week. Good luck Year 6!

Year 3 Chiltern Open Air Museum visit

Last Thursday, Year 3 Willow class visited the Chiltern Open Air Museum where they travelled back in time to the Stone Age. They hunted deer and wild boar, made fire and threw spears. They also travelled to the Iron Age where they made clay pots and ground wheat into flour to use in flat breads.

“I really enjoyed throwing the spear to hit the animal skin,” Harlee.

“I liked it because I learned more stuff about history,” Ermil.

“The best bit was making the bread but it made my hands stink!” Elsie.

“We get to go on lots of fun and interesting trips every year.”
